DALY CITY, SAN MATEO COUNTY, CALIFORNIA, Published Wednesday WEDNESDAY, FEB. 26, 1941 VOL. 36, NUMBER 3

"Policeman, Find My Child" Was Frequent Request

Daly City police spent most of Washington's birthday looking for lost children.

Dressed in a white bonnet and red overalls, 21-months-old Sibil Noell and her 11-year-old brother, Donald, were missing for nearly three hours Saturday afternoon.

The children were found at 5 p. m near the Bank of America by Officers Ricco Benedetti and George Hopman after a search which embraced all of Daly City and many outlying districts.

A city-wide search was under way at the same time for another missing youngster, 3-year-old Garry Galli, 162 Los Olivos avenue. Found by a woman on the golf links, the boy was turned over to the Taraval station, which notified Daly City police.

Earlier in the week, a frantic search for Edward D. Kelly, 11, 40 Alexander, who had been missing since 5 p. m., was ended at 20 minutes to midnight when the boy was found asleep in the family automobile.

Lions Club Dinner Set For Tonight

Post cards were in the mail this week announcing an important meeting of the Daly City Lion's club at Colonial Cafe, 6129 Mission street, tonight (Wednesday) at 7 p. m.

The Lion's club secretary announced there would be a fish dinner served and that ladies were invited.

Police Arrest Man On Bad Check Charge

Charged with passing a bad check, George Van Aelstyn, San Pedro, California, was arrested by Daly City police early Thursday evening at a local auto court.

Van Aelstyn was arraigned before Judge Wade H. Clay on Friday. Bail was set at $1000 cash or $2000 bond. In default of bail, he was taken to the county jail in Redwood City.

Date of the preliminary hearing has been set at 3:30 p. m. tomorrow. According to police, Van Aelstyn passed a bad check at a local business house on January 2.

VFW Invite Public To "Navy Night"

Old Glory Post and Auxiliary No. 2044, Veterans of Foreign Wars of the United States, today issued a last-minute reminder of the free U. S. Navy motion picture which will be shown at Eagles hall on Friday night.

The program begins at 8 p. m. and the public, including women and children, are cordially invited. Young people are especially urged to see this 1 hour and 15-minute government film, which will depict the thrilling maneuvers of the U. S. Navy.

The program, arranged through the courtesy of Allen Hart, will begin at 8 p. m. with a brief

Oops! This Was Not The Car To Bump

Frank Brosky, San Francisco motorist, picked out the wrong automobile to crash into when he bumped into the rear of a Daly City police car parked at Beta and Mission streets, early Sunday morning.

Arrested on a reckless driving charge, Brosky will appear before Judge Wade H. Clay. He makes his home at 711 Shotwell street. The accident occurred as he was driving north on Mission street at 3 a. m.

That's right—this picture ran in The Record's January 8 issue. It is republished here because, unlike most news photos, its **newsworthiness** did not end on the day of publication.

The Record entered the picture, an unusually interesting shot of Miss Jehan Dorn beginning an oil mural, in the monthly contest sponsored by The National Publisher for best news pictures throughout the entire nation. Just yesterday word arrived at this office that the shot had been awarded second place in the February contest.

The bouquet for this accomplishment goes to **Dale A. Hovey,** staff photographer. He can feel justly proud that his work stacks up against that of successful newspaper photographers from coast to coast.

Twelve Teams Ready To Start Rolling In Bowling Tournament, March 3

Strikes and spares will be the order of the day, March 3, when the Daly City Record Bowling tournament gets under way. With twelve teams ready to start rolling, the schedules are being completed this week for an 11-week circuit. Games will be played at 7 p. m. Mondays and Tuesdays, and at both 7 p. m. and 9 p. m. on Wednesdays and Thursdays.

Since opening a few weeks ago, the Daly City Bowling Alleys have become one of the most popular recreation centers of this area. The alleys are located at 6287 Mission street, and spectators are invited to watch the tournament play.

Local teams entered in the tournament are: Alert Van and Storage, Hammar's Shell Service, Dilly Dally Boys, Daly City Creamery, Jew Town Boys, Central Creamery, Daly City Photo Service, Bank of America, Hilltop Lodge, Stockton Lumber company, Mission Bell Chateau, and a team of Independents.

Food Stamp Plan Gets Under Way In Daly City

"Order your food stamps by mail," was the recommendation of H. E. Pickerill, representative of the Surplus Marketing administration, who visited Daly City last week-end to outline the workings of the Food Stamp plan.

The Food Stamp plan, which is now in effect throughout the entire county, makes it possible for WPA workers, SRA recipients and others receiving some sort of public aid, to purchase foods through local stores.

Now that the food stamp plan is in full operation here, the distribution of food from truck depots has been discontinued, according to Pickerill. Clothing, however, will be distributed as usual.

Stamps for use in the program can be ordered direct from the

They Were Happy!

Four Daly City families were made happy last Saturday night when their names were drawn as winners of theater script books in the "Daly City Record Theatre Script Derby."

Winners were M. F. Sams, 32 Flournoy street; Mrs. Thomas Callan, Washington street, Colma; Mrs. John Schwartz, 659 San Diego avenue, and Mrs. Lawrence Varni, 164 Moltke street.

When Circulation Manager Mel Dykman delivered the script books Monday, winners greeted him with enthusiasm.

"Barefoot" Burglar Or Impersonator?

Where is the "barefoot burglar?"

Striking like a ghost in the night, the notorious thief whose eccentricities are known to half a million people struck again this week—this time near Daly City.

The sheriff's office reported that in the dead of the night on Sunday, a man described as being about 5 feet 9 inches in height robbed a cabin at the Motorville Auto court, 7500 Mission street. He escaped over a fence—leaving bare footprints behind him.

The theft was committed at 1:45 a. m. when the burglar snatched a pair of pants containing $320 in travelers' checks and $45 in cash from a chair and fled with the victim in vain pursuit.

Whether he is the "real McCoy" —the same burglar who has been active in the East Bay cities and on the Peninsula for the past several weeks—or whether he is only an inspired impersonator is not

COUNCIL INSTRUCTS ENGINEER TO ORDER BASEBALL BACKSTOP

Monday Night's Meeting Covers Insurance, Streets, Court Suit

Daly City baseball players will soon be swinging bats in front of a new backstop at the modern Vista Grande diamond. City Engineer Robert Klassen was instructed at Monday night's council meeting to order a new $500 backstop in time for its installation as soon as the rains are over. The backstop will be an up-to-date version of the one now in use at Jefferson Union high school.

Reduction of fire insurance rates was seen in the event of a bond election and proposed improvements to the Daly City Fire department. A letter from the board of underwriters informed the council that the proposed improvements would warrant a reduction of Daly City's classification from 5 to 4, with a 7 per cent reduction on dwelling rates and from 5 to 10 per cent on mercantile rates.

Representatives from the Highway Engineer's office who met here last Tuesday with Mayor John J. Fahey, Councilman Edmund Cavagnaro and Police Chief James G. Reardon have expressed themselves in favor of a plan to secure State gas tax funds for the

Eighteen draftees and one replacement will leave Daly City early Tuesday morning to fill the quota for the third draft call from this district.

Included among the nineteen future soldiers reporting for duty at 8 a. m. at the San Francisco armory will be nine volunteers.

No official notice has yet been received of the exact date of the fourth call, expected some time in March, according to Mrs. Isabelle Flynn, draft clerk.

Taking their places in the ranks of the United States army will be Don L. Funge, San Pedro avenue, Colma; Pete B. Scalia, 258 Irvington street; Gilbert C. Vercauteren, 165 Miriam; Robert J. Mal-

Students To Give Big Variety Show

"Let's Give Them Health," this year's San Mateo Preventorium campaign slogan, has been taken up enthusiastically by grammar and high school students throughout the entire Daly City-Colma area.

In order to raise funds for the institution, which has helped more than forty children from Daly City regain robust health, an elaborate variety show has been planned. Jefferson Union high school and all of the grammar schools will take part in the mammoth show, to be staged at the high school auditorium, March 12, beginning at 8 p. m.

With a cast of more than 200 students, the schools intend to

Announce Program For Band Concert

Ranging from the well-loved "Neopolitan Nights" to the stirring "Stars and Stripes Forever," are the musical selections prepared for Friday evening's free concert at Jefferson Union high school auditorium.

The forty-piece Daly City band will play such favorites as "On Wisconsin," "Songs My Mother Taught Me," and others. The concert will begin at 8 p. m., with George E. Brenner conducting. Cosponsoring the concert is the local WPA Recreation department.

Featured soloists will be two talented young Daly City musicians, Tom Beeson, cornetist, and Josephine Puricelli, vocalist. Complete program will be found on page 6 of this week's Record.

Stars And Clams Mix In Freak Accident

Roy Green, 579 Templeton avenue, was looking for clams last week when he suddenly saw stars. It seems that a near-by friend, also digging for clams, slipped and inadvertently brought his shovel down on the unsuspecting Green's head. Now Green knows how the clams feel.

This was only one of several unusual accidents reported this week by Junipero Serra hospital. Edwin VerLinden, Washington and Anne streets, was calmly trimming the hedge around his home when his shears slipped. His wrist was slashed for two inches, making a cut nearly an inch deep.

Popular Banker Leaves Local Branch

Daly City branch, Bank of America, lost its popular Assistant Manager Joe Warren this week by a promotion. Warren is now manager of the West Geary Branch, Nineteenth avenue at Geary boulevard.

Not only will Warren's services be missed at the bank, but local business and civic leaders this week expressed disappointment in the news that he plans to resign the presidency of Daly City newly organized Lion's club.

Joseph L. Leonetti, assistant cashier, comes to the Daly City bank as a new employee. Leonetti lives at 170 First avenue, Daly City. He has had seventeen years experience in the Colma and three San Francisco branches.

Legion Sponsors Americanism Meet

Daly City Post and Auxiliary No. 410, American Legion, will be sponsors tomorrow evening at a joint Americanism and National Defense meeting. Attending the affair will be scores of leading club and civic figures from this community and from other parts of the county.

The meeting will begin at 8 p. m. at Legion hall. Several outstanding speakers have been secured by the chairmen in charge of the evening's activities. Full details on this important event will be published in next week's issue of the Daly City Record.

Here's BIG News For Grade School Boys

All grammar school boys are cordially invited to report to Jefferson Union high school gymnasium on Saturday morning for basketball training.

Bruce H. Boynton, local WPA Recreation director, announced today that a Daly City Junior Basketball league will be organized here at once, under the leadership of Jim Brady.

Boys interested in learning basketball will meet from 9 to 12 a. m. each Saturday at the gymnasium. Everyone is welcome.

Selectees from South City include Nicholas Korsak, Jimmy A. Colosimo, Lester G. Heimeyer, Hilmar E. Williamson, Henry P. Rosaia, Ermen J. Rozzi, Ernest M. Santo, Jose J. Dias, and Augustine Feri.

Edwin S. Coe will report from Sharp Park and Joseph Verdi and Buster J. Talley from San Francisco.

Not quite 21 years old, Charles J. Asedo, South San Francisco, is one of the nine volunteers. Another is Marion A. Vaughn, a transfer to this district from Natchez, Mississippi.

Although a few last-minute changes may be made, this list is expected to weather final checkups.

With the appointment of R. C. MacArthur, local real estate man at 6301 Mission street, the advisory board gained another member this week to help draftees fill out questionnaires. Already on the board are Paul G. Selmi, William Lagomarsino and Ricco Lagomarsino. Six other members are located in South City.

make this one of the year's biggest shows. Tickets are available at the high school, Anchor Drug store in the south end and Central Creamery at the top of the hill. High school classmen have already requested that they be charged regular adult admission, to further swell the total proceeds. All funds made on the event will be given to the preventorium.

The variety show will include presentations representing music, dramatics and physical education departments. Full program details will be announced next week in The Record.

Students and teachers alike today urged "buy your tickets early. This is going to be a grand show and everyone is invited."

State Relief administration office at 1663 Mission street, San Francisco. They will be returned to the purchaser by mail and are honored at all local food stores. Pickerill explained that the form by which stamps are ordered is very simple. In case of difficulty, the local Bank of America, the Daly City postmaster or any grocery in the community will aid food stamp users in filling out the order form.

Those eligible to buy stamps are receiving certificate forms in the mail. These forms indicate the amount of stamps each purchaser is entitled to buy.

Five stitches were required at Junipero Serra hospital to close the wound.

Robert Masini, Hillside boulevard and Moltke streets, was engaged in another apparently harmless activity, roller skating, when he took an unexpected spill. Brought to the Junipero Serra hospital, he was found to have a small bone broken in his left foot. The foot was placed in a plaster cast.

J. F. Wiley, 440 Santa Barbara avenue, was treated for lacerations of two fingers on his right hand, and a cut wrist.

CAPISTRANO COUNCIL NO. 2712

Capistrano Council No. 2712 of Daly City, Knights of Columbus, interrupted initiation ceremonies long enough at a recent meeting to smile for the Record photographer.

A fraternal and insurance type of organization, sponsoring many worthwhile activities, the group was first organized on March 17, 1929. With a present membership of approximately fifty persons, Capistrano Council meets at 8:15 p. m. the first and third Tuesday of each month at Theatre hall.

Orientals Request First 1941 Jury Trial

Daly City's first jury trial in 1941 will convene at 10 a. m. Tuesday, March 18, when Eddie J. Eng and Tom Wong, San Francisco, attempt to clear themselves of lottery charges brought against them by local police.

The two Orientals were arrested February 8, and charged with selling lottery tickets. Both pleaded not guilty before Judge Wade H. Clay, Friday, and requested a jury trial.

Eng and Wong are both out on bail.

cleaning of Mission streets and San Jose, Mayor Fahey reported.

Pulverized glass crystals, fine enough to be shaken from a salt shaker, will be used on pedestrian lanes as soon as the streets are dry enough to apply new paint. The tricky new crystals catch the light from headlights of approaching cars and make the pedestrian street markings visible in the dark.

City Engineer Klassen was requested to apply to the board of supervisors for permission to improve Market street west of Station to the railway tracks. The property lies outside of Daly City, and total cost for the work will be borne by the property owners on the street, who hope to make a WPA project out of it.

City officials described today as a "formality" the suit filed against the city on Friday in superior court by Hanrahan-Connolly company, contractors for the South End streets job. The proceedings are only a test case to try the validity of the contract, after it was found necessary to make several changes in the specifications following the awarding of the contract, it was stated.

Classes

FRESHMEN

Last Monday during homeroom the freshmen and juniors held a revote on their class presidents.

Wilbur (Bud) Fellows was chosen by the freshmen to be their president for the spring semester, and Rose Marie Carlsen was chosen as the junior president.

The reason for the late election was that the former presidents elected on the first ballot were unable to fill the requirements.

CORPORALS

Uncle Sam's call to arms will effect two very popular Jeffersonians. Ernest Collinge and Donald Howe are expecting notices requesting them to report to camp at San Luis Obispo on March 3.

The boys are corporals in the 159th infantry of the National Guard.

ESSAY

Students in the American problems classes are writing essays for the American Legion auxiliary contest, "Selective Service—Its Effect on Youth." The essays must be between eight hundred and one thousand words in length. There are local, district, department and national prizes to be given the winners.

DANCE

Fun was had by all! In case you don't know what I am refering to, just ask anybody who attended the dance, Friday.

Red, white and blue hearts and streamers were hung from a huge cluster of baloons in the center of the auditorium.

The dance was entirely supported by the students, and the music was furnished by those maestros of Swing, the Indians of Rhythm.

PLAQUE

Thursday, President John Razzari, Vice-President Mary Heywood, Judge Herbert Poddig, and Sergeant-at-Arms Jack Faulk traveled down the line to South San Francisco high school, and presented them with the football plaque.

The plaque is a trophy presented to the winner of the Jefferson vs. South San Francisco big little game.

Razzari presented the plaque to Ed DeFeur, vice-president, and expressed his hope that a stronger friendship would be developed between the two schools.

C. S. F.

Last Wednesday the members of the C. S. F. held their regular meeting. It was suggested by the group to hold meetings twice a month instead of every week. The suggestion was approved one hundred per cent.

With meetings held twice a month the members are planning to hold a business meeting first and a social afterwards.

Music

SWING

Today the students of Jefferson are in for a little surprise. Dante Lembi and his Indians of Rhythm are presenting the student body with an impromptu amature hour.

When speaking to Swing King Lembi about who would participate and what the program would consist of, he said, "That's a secret, I don't even know myself."

BAND

Yesterday, Oscar Busch and his band of 39 members presented the student body with a musical program.

Those participating in the band were: flute, Walter Franzen; oboe, Thelma Tyedteu; clarinets, Angelo Ditty, Eugene Carbone, Ed Girdler, Lloyd Rentsch, Darlene Scott, Don Thomason, Sam Van Lieu, Norman Wiseman; saxophones, Elizabeth Blassman, Ray McMillen, Robert Michelson, Adrienne Travers, Meta Wendell; trumpets, Phil Barsetti, Tom Beeson, Roy Camillo, Doris O'Steen, Stanley Praul, Bob Seiler, Marie Smith, Gene Snow, Ralph Shinazy, Fred Waterman; horns, Harvey Melicker, James Robin; baritone, Lowell Coy, James Parker; trombones, Ernest Anderson, Lloyd Arthurs, Leo Girdler, Eugene Grant, Kingston MaHaffie, Fred Schmidt; bass, Ed Hendrickson, Charles May; and drums, Elbi Lanzi, Frank Rivas.

The band played "Lustspiel" overture by Kejer-Bela and "Stupendo" concert polka by Brahmstadt.

Ed Hendrickson played a brass solo, and the "Choral" and "Prayer" was played by a brass quartet composed of Tom Beeson, Bob Seiler, James Parker and Oscar Busch.

"Triplets," a characteristic novelty, by Briegel and Tucker, was played by Adrienne Travers, saxophone.

Gene Snow played "Jupiter," by Polka, and Goldman, as a trumpet solo.

Closing the largest musical show the band ever presented to the students was the "Amphion Overture" by Schmidt.

Sports

G. P. A. L.

Captains for girls' interclass basketball were chosen last week. Leading the freshmen will be Theresa Falbo; sophomores, Marian Nelson; juniors, Verna Flatt; seniors, Shirley Jones.

Basketball practice began Friday after school. Each girl is required to play three practices to be eligible for the interclass games.

Friday after school in the gym the freshmen will play the juniors, while the sophomores play the seniors. Winners of these games will compete with each other, March 3.

After the completion of the interclass games, interperiod basketball will be played.

GOLFERS

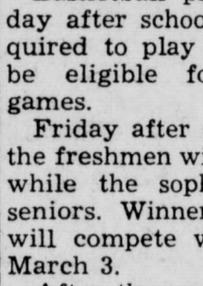
Attention golfers! All boys interested in chasing the little white ball over the rolling greens, are urged to see Arthur Quirmbach immediately.

As soon as enough sign up for the sport, the date will be set for practices.

TRACK

When conversing with John Matthews on the matter of track, I found out that the first interclass runs were scheduled for yesterday and today. Of course that is if the weather permits it.

Matthews expressed his belief that there ought to be a pretty good bunch of fellows to choose a team from this year.



Campus Fashions

A snappy outfit, indeed, is one styled in brick red. The darling I spied last week was simply luscious with a cute draw-string waist. The sleeves were bracelet length and it had pleated patch pockets trimmed in a narrow band of black velvet ribbon.

Red dresses are always cheerfully smart, and in this same group is a campus frock, "cute as a bug's ear," that will add a lot of zip to your wardrobe. It's a knockout for class, styled in red wool jersey. This quaint outfit is fashioned with leather buttons down the front and swank little leather cuff-links.

To top your new red dress get one of the darling navy blue corduroy jackets with huge pockets, and droopy sleeves.

Debonair as can be are bright suede vests, which also look ultra swank over these tailored wool dresses. Not only are they just right for wool ensembles, but are darlings when they top a long-sleeved white shirt and plaid skirt.

With a twinkle in her eye "Dot" Hammer, this week's campus Miss, stated that she loved soft sweaters, despises smeared lipstick, and thinks Jean Arthur is the best actress ever.

Dot is a high senior and upon her graduation in June, plans to attend San Mateo junior college, where she will continue her secretarial work.

Enough of Dot's likes and dislikes, let's get down to Fashion lines. If you saw her ensemble, Friday, you'll agree that it was indeed a chic outfit. A bright fluffy yellow sweater topped her white shirt and brown skirt, and her yellow socks matched perfectly.

So Dot, to you we extend this week's fashion bouquet for one of the smartest campus outfits of the season.

Sons Of Legion To Install Officers

Members of Forty and Eight Society, San Mateo County Voiture No. 393, will put on the degree team work for the installation of officers of Daly City Squadron No. 410, Sons of the American Legion, tonight at Legion hall.

The installation ceremonies will be open to the public. Many distinguished guests will be present, including Comrade Emil Nelson, department chairman for the Northern district, Sons of the Legion. The program begins at 7:30 p. m.

Spicing Up Trade

Progress in production of spices in this country is noted by the American Spice Trade association, reporting that of 25,000,000 pounds of mustard seed used last year, 17,700,000 pounds were domestically grown. Production in 1940 is expected to reach 20,000,000 pounds here.

Aviation Motor Progress

While it took 15 years to develop the airplane motor from 200 horsepower to 400 horsepower, aviation motors of 3,000 horsepower may be possible within a few years as a result of the rapid improvement of steels, F. C. Crawford, president of Thompson Products, Inc., of Cleveland, predicts.

TIGERETTES TO CELEBRATE FIRST ANNIVERSARY

Tigerettes will celebrate their first anniversary with a dinner-dance, March 28, at Lido's in San Francisco. Eight couples will attend, including club members Laura Lombardi, Elma Pierini, Eda Venturini, Mary Galeotti, Minnie Tognetti, Jean Lombardi, Deva Lucchesi and Yolanda Lucchesi. The club was first organized, March 28, 1940.

Tigerettes are now making plans for a drawing, winner of which will be awarded a portable phonograph, April 29.

STARDUSTERS PRESENT BRACELETS TO TWO GIRLS

Miss Violet Bullo and Miss Mary Picchi, vice-president, were honored guests at the Stardusters meeting last Wednesday evening at 163 Evergreen avenue.

Feted because of her birthday, each girl was presented with a gold bracelet, engraved with the word "Stardusters" and marked on the back with her own initials.

Next meeting of the club will be held at 7 p. m. tonight at 270 Irvington street.

Pike's Peak Railroad

Industrial progress has come to Pike's Peak, Colo., whose 14,110-foot summit has been attained by visitors for the last 50 years in passenger trains pushed by tiny steam locomotives on a cog-and-rack railway. To lessen the dead weight that has to be pushed up the peak, an aluminum alloy train with diesel engine power has been substituted.

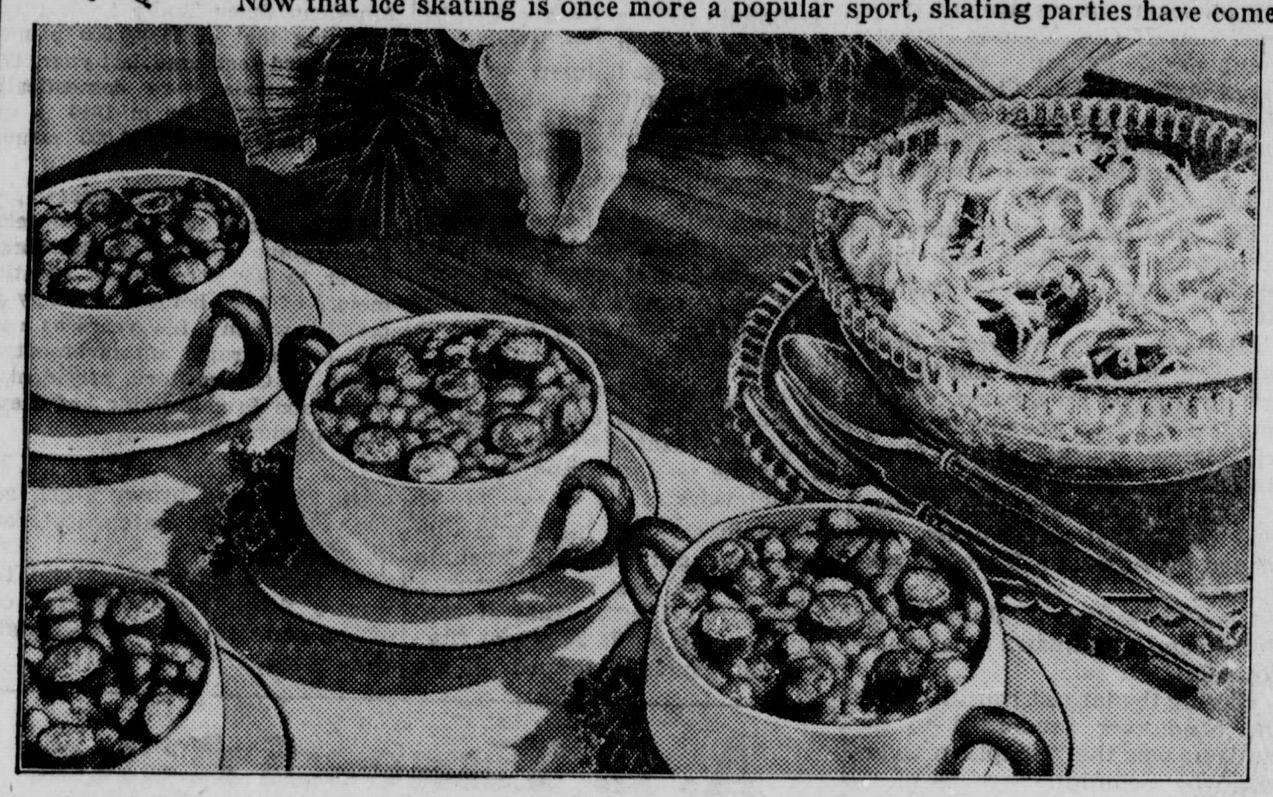
What to Serve after the Big Skate

Substantial fare is called for to satisfy keen outdoor appetites

by Dorothy Greig

BACK where I hail from the whole town ice skated. And that meant everyone, from grandma on down to the littlest wobbly on his first pair of skates, turned out when the ice was good. How we raced and turned and played "snap the whip", or waltzed to the tunes of the hurdy gurdy man! And what appetites we all took home with us!

Now that ice skating is once more a popular sport, skating parties have come



Bean Casseroles topped with glazed frankfurters are a good start for simple supper refreshments.

ato their own again. Gather up the rowd and top off the evening's ilarity with supper at your house.

This is one supper party at which rills and fussy dishes just don't elong. Plain, hearty food is the hing to serve. Hamburgers and nion slices between buns, hot chocolate, big casseroles of macaroni vith cheese sauce . . . foods to warm you up and fill you up. Simple, but plentiful . . . that's the main idea.

For instance, supper might be omething on this order:

Individual Bean Casserole with Glazed Frankfurters
New England Cole Slaw (with boiled dressing)
Buttered Toasted Buns
Bowl of Fruit
(Apples, Oranges, Bananas, Grapes)
Hot Coffee (lots of it and very hot)

The bean casseroles are no trouble to make·

½ pound frankfurters
6 teaspoons butter
4 tablespoons brown sugar
2 cans (16 oz.) pork and beans

Cut the frankfurters into pieces ½ inch long. Take six individual bean pots or petite marmite bowls (8 ounce size) In the bottom of each bowl put ½ teaspoon butter and one teaspoon dark brown sugar Then place one layer frankfurter pieces cut side down on the sugar, fill to within ¾ inch of the top with the pork and beans. Arrange pieces of frankfurters on the top of beans with the cut side up. Sprinkle with one teaspoon brown sugar and dot with ½ teaspoon butter. Place in a moderate oven (350° F.) and bake for forty-five minutes. Serves 6.

Mothers Club Sponsor Luncheons

Beginning with March, monthly luncheons will be sponsored at Our Lady of Perpetual Help school by the Mothers club, it was learned today.

Mothers club members recently enjoyed a Valentine social, following a business meeting conducted by Mrs. Sophie Klingler, president. Dainty refreshments and Bingo contributed to the evening's program, which was in charge of Mrs. Helen McDonough, Mrs. Josephine Reardon and Mrs. Grace Bacagalupi, committee chairmen.

Last Wednesday morning, members of the sewing group enjoyed a delicious home-cooked luncheon at the home of Mrs. Lucille Mariscola, 941 Huron avenue. Guest of honor at the attractively decorated table was Mrs. Margaret Fahy, Bellevue avenue, who celebrated her eighty-second birthday. She was presented with many lovely gifts.

Attending the affair were Mrs. Margaret Fahy, Mrs. Sophie Klingler, Mrs. Elsie Thomson, Mrs. Josephine Kelley, Mrs. Lorraine Wall, Mrs. Marion Schubert, Mrs. Elinor Byrne, Mrs. Mary Hanley, Mrs. Nell Whalen, and Mrs. L. Naccarini.

Say, Mama, Don't Forget Our Date

Next Wednesday is the time for my check-up. The Daly City Well Baby clinic will be open from 9 to 11 a. m.

No charge is made. Scientific advice and aid in infant care are available to each mother. A child specialist and a nurse are in charge.

Only well babies are admitted to the center, located at the corner of San Jose avenue and Flournoy street. Visiting hours are the first and third Wednesday mornings of each month.

And, by the way, mama, I hope you've been listening. THIS IS IMPORTANT.

Prosperity for Idea

The depression-born business of shooting new holes in the steel casing of abandoned or failing oil wells, at a different level, to bring in shut-off oil netted one Los Angeles company a net of $450,000 last year on a gross income of $3,000,000, officials report.

Mrs. Zemann, who formerly lived on Miriam street, is a member of the committee in charge.

Featuring the "Can-Can," gay dance of the Nineties, the program will include songs that grandmothers and grandfathers sang when they were young . . . comic songs, love songs and tear-jerking ballads. Frederick Schiller will direct the choir. There will be many other entertaining features, Mrs. Zemann said.

Knights Of Columbus Gather For Banquet

Scores of Knights of Columbus gathered for a banquet at the Benjamin Franklin hotel last Monday evening. Representatives attended from the entire eighth district, comprising councils of San Jose, Palo Alto, San Mateo and Capistrano Council No. 2712 of Daly City.

Following the banquet, the order conferred the second degree on a large class of candidates at the San Mateo council chambers. Officers taking part in the degree work were Louis Diebels as the "I"; Jim Summerville, chancellor; and Ernest Cuneo as grand knight.

At the conclusion of initiatory ceremonies, a talk was given by Father Lynes, chaplain of San Mateo council, followed by a social hour and refreshments.

CATHOLIC DAUGHTERS EXPRESS BEST WISHES TO MRS. MARGARET FAHEY

With a lovely bouquet of flowers, Court St. Mary No. 1155, Catholic Daughters of America, expressed best wishes to Mrs. Margaret Fahey, Thursday evening, in honor of her eighty-second birthday. Grand Regent Ida Forrest made the presentation.

At the business meeting which followed, guests included the court's chaplain, Reverend Father Phelan; Mrs. Margaret Sheean, district deputy; Miss Elizabeth Reardon, district deputy of Court San Francisco; and Mrs. Mori, member of the San Francisco court.

Led by Mrs. Fahey and Father Phelan, a grand march to the reception hall was held after the meeting. The group were greeted by the soft strains of "Happy Birthday," played by Richard Harmon on his accordion. The room was in darkness except for the tiny flames from eighty-two candles on the birthday cake.

Guests expressed their thanks to Mrs. Robertson and her committee for the pleasant evening.

Principal Addresses District PTA Meeting

"Liberty is a fresh conquest for each generation," said Carl Weller, South San Francisco high school principal, at the seventeenth district meeting, CCPT, Friday, in South City. Nearly two hundred members from forty PTA units in the county attended.

"We have a task not only with the children but with the parents, also," Weller stated. "We have to continue the struggle to preserve liberty."

The March CCPT district meeting will be held at Sequoia Union high school in Redwood City, with a federal housing authority as chief speaker. Luncheon, served at the Methodist church, will be followed by a fashion show in the afternoon.

Six more classes on adult psychology with Mrs. Frank Harris as leader will be given through the junior college adult center under the same arrangements as the present series, which closes today. New classes begin March 5.

Home Lovers May Now Easily Realize Dreams

"There are few human forces stronger than the desire for home ownership," Ray Clotfelter, president of the Lumber Merchants Association of Northern California, explained in a recent letter to the membership of the group.

In describing how home ownership gives faith in the future, Clotfelter said, "There are few things in which the ideal and the material are more interwoven than they are in the home.

"The beautiful thing about the dream of home-ownership is that it is so simple to realize."

H. H. Smith Lumber company, Daly City member of the association, reported today that they are in a position to see the prospective home-owner through the entire list of details incident to the building of a house that will meet the "dream of home" for each individual.

LET'S TAKE THE RIGHT WAY

"YOUR HONOR, I had the right-of-way."

Motorists, that may sound very fine and legal in court, but the National Safety council asks what good is the right-of-way if you or some member of your family is laid up in the hospital.

Isn't it more practical to use caution at all intersections, whether you have the right-of-way or not?

Remember, it isn't the right-of-way that counts—it's the **right way!**

Four D. C. Golfers Qualify For Match

Four of Daly City's best amateur golfers qualified for the championship flight in San Francisco's open tournament at Harding Park, Sunday. Five others missed by only a narrow margin.

One of the leading scorers of the day, Einar Hanson, made 74, just two over par. Other championship material included Steve Armstrong, 75; George Wohler, 76; and Fred McLeod, 77.

For the third consecutive year, fate pursued Art Harris, who lost out in the draw again. With a total of 70 players each making a 77 or better, and only four names to draw out, Art Harris' name was included for the third year in the unlucky quartet.

Other outstanding scores made by Daly City players who failed to qualify for championship flight were Cliff Harris, 79; John Geiger and Herman Segale, 82; and Henry Wohler, 83.

"San Mateo county's largest Christmas seal sale in history" is the report turned in by the executive committee of San Mateo county Tuberculosis and Health association.

Returns of the recent campaign total more than $11,000 to date, according to the committee. It is "proof that citizens of the county approve the program and are learning more about this preventable disease," officials stated.

WHO - WHAT - WHEN - WHERE - WHY -

A column of news and comment on National and Local Events

Of course, the front pages are full of war news. But have you noticed how it dogs one's footsteps **everywhere?** The French waiters, who usually discuss your steak, the weather, or the latest musical, at your favorite restaurant, now talk of nothing but the war.

The Vancouver Sun reports that no money may be taken out of Canada without special license. This has serious aspects, but the angle that worries us is where the Vancouverites go on Sundays now? When we were Up North, come Sunday and most of Vancouver's motoring public made for the "States". They usually wound up having dinner at McCracken's in Bellingham, just below the border. **Well, we reflect darkly, maybe someday war will get to be such a darn nuisance that the peoples of the earth will outlaw it.**

But as long as we can come across an item like this we won't feel too dour—peaches can now be "defuzzed" successfully. In the Illinois and Colorado peach sections the new process has meant increased revenue. The world is about to blow up but there's still time to "defuzz" peaches and cellophane-pack a few carrots.

"California, here I come" will be the theme song of tourist-minded America this year. Howard Horroworth, general manager of the California Mission Trails association, reports that this state will be the mecca of tourists in 1941.

Since nothing seems to occur with more frequency than the needless traffic accident, we will close with a couple of choice addages:

Drivers who live to see 80, never look for it on their speedometers.

Motor trips start out best with a gas tank that is full and a driver that is not.

THE LIGHT THAT MUST NOT FAIL!

Honor Miss Faulk At Bridal Shower

Miss Virginia, "Bunny," Faulk was the honored guest at a luncheon and bridal shower given at the home of her mother, Mrs. Louis Johnson, 179 Winchester, Saturday afternoon.

Miss Faulk, well-known in Daly City, is a graduate of Jefferson Union high school. At present she is a recreation leader here for the WPA Recreation department.

The luncheon was served buffet style from a table beautifully decorated in the George Washington motif. In the center of the red, white and blue decked table was a lovely bridal cake decorated with pink roses.

After refreshments were served, many lovely gifts were showered upon the bride-to-be. Friends who attended the gala affair were: Misses Laura Lofink, Fay Cottsi, Jean Nongreen, Naioma Botts, Helen McDonough Esther Clayton, Peggy Brady, Jessie Perrins, Rosanne Rasty, Lydia Van Denberg, Jeanne Faulk, Lucille Bean; Mesdames Kimmerling, Lehner, Brady, Anderson, Grenier and Luis Johnson.

Last Tuesday Miss Faulk was feted at another bridal shower, given by her sister, Miss Jeanne Faulk. Many of her girl friends were present to offer their congratulations.

Miss Faulk will become the bride of Edward Kemmerling sometime Saturday in Reno. Accompanying the couple will be the brother of the bride and his wife, Mr. and Mrs. Lee Faulk.

12-Mile House Team Defeats North Beach

Despite a light drizzle, two baseball teams played through an entire game on the Jefferson Union high school diamond, Sunday. North Beach Athletic club and 12-Mile House played a bout whose final score was 4-0 in favor of 12-Mile House.

Frontier Epic, "Kit Carson," To Open At Daly City Theatre Tomorrow

Heart throbs and romantic thrills are furnished by lovely Lynn Bari and handsome Jon Hall, starring duo in Edward Small's "Kit Carson," the flaming adventure romance slated for its premiere at the Daly City theatre tomorrow.

Based on the real-life story of one of the boldest and most dashing adventurers in American history, Edward Small's latest production, "Kit Carson," with Jon Hall playing the title role, is slated for its local premiere at the Daly City theatre tomorrow through United Artists release. The stellar cast in "Kit Carson" features, in addition to Hall, Lynn Bari, Dana Andrews, Ward Bond, Harold Huber and Clayton Moore. The picture was directed by George B. Seitz, and John DuCasse Schulze acted as Art Director.

Spotlighting the adventure-filled episodes of Carson's life when he joined John C. Fremont of the United States army to survey and map the shortest overland route to California, Small's film of "Kit Carson" abounds in spectacular scenes involving bitter fighting with the Indians, dangerous treks in wagon trains, plots and counterplots engineered by sly and cunning Mexican schemers.

Most of the sweeping outdoor scenes for "Kit Carson" were photographed on location at Kayenta, Arizona, next door to the Navajo reservation, and hundreds of the Navajos participated in filming.

Companion feature on the new three-day bill will be "Bank Dick" with W. C. Fields.

Junipero Serra—

Definite decision to add another section to Junipero Serra highway was revealed recently when San Mateo county was asked to appropriate $10,875 in its next budget as the county's share of construction costs.

Jeff Plays Last League Game

Friday marked the last game of the league for the boys of Jefferson. Totaling five loses out of six, Jeff's quintet standings fall mighty low. Next basketball season, the boys hope to place Jeff right on top.

VARSITY

Although they played good ball, the varsity basketeers were completely outclassed by the Palo Alto cagers. They lost 19-37, Friday evening.

130's

Jefferson's 130 teamsters also met defeat at the hands of Palo Alto. Although the team had the advantage of playing on their own hard wood, they weren't able to hold the Palo Alto men down.

The game was close all the way through until the last few minutes of play. At the last, the Palo Alto men took a spurt and chalked up eleven points, one right after the other.

The local boys stood at the end of the playing time with the wrong end of a 16-27 score.

Dark Subject

Simple, non-technical reports of all city expenditures are advocated by the National Consumers Tax commission, so citizens will know where their tax dollar is going and how much they are getting in return for their tax payments.

Courtesy and Justice

District Judge C. D. Murane of Casper, Wyo., one day complained of the noise from a truck engine being tuned up just below the courtroom window. After silencing the disturber, the bailiff of the court noted frequent locomotive whistle blasts near the courthouse. So he wrote a letter to the railroads ordering them to silence their whistles. Worried railroad officials called the judge and said they would be glad to comply with the order but there was a city ordinance that required them to blow whistles at crossings. The judge, who hadn't heard about the letter, told them to go right on whistling.

OPERA

San Carlo Company Due Here March 10

War and the horrors of war are turning the interest of the American music loving public toward grand opera for relief and solace, according to Fortune Gallo, whose famous San Carlo Opera company is now en route to San Francisco on its thirty-first transcontinental tour. The company is due at the War Memorial Opera house for a two weeks' season of seventeen performances starting March 10.

"Music is soothing the American public, strained by the weight of momentous decisions and the uncertainty of what the future holds," said Gallo.

The San Carlo is coming to San Francisco with an unusually interesting repertoire and an array of artists that critics have said makes this the finest company of the San Carlo for many years.

The opening attraction is to be "Madame Butterfly," to be given here for the first time in English and starring Hizi Koyke, the great Japanese prima donna. The other performances for that week include "Carmen," "Aida," "Traviata," "Faust," "Martha" and one act from "Romeo and Juliet".

Tickets for the season are now on sale at Sherman Clay and company.

The store's telephone number is printed on the stockings—called "Telephone Hosiery," and the colors have been named after other Indianapolis exchanges, making them easy to remember, too.

DALY CITY POST NO. 410, AMERICAN LEGION

Daly City Post No. 410, American Legion, is one of the largest and most active patriotic organizations in this community. Organized on March 4, 1931, the post now has approximately 80 members.

Stressing Americanism, the Legion engages in many social and civic activities, one of the most outstanding of which has been the annual presentation of six school awards at each grammar school graduation. Before the establishment of the WPA Recreation program here, the Legion sponsored the annual Hallowe'en party for youngsters. Qualifications for membership in the post include the provision that members must have served with the armed forces of the nation for a period not shorter than April, 1917 to November 11, 1918.

The post meets at 8 p. m. the second and fourth Thursday of each month at Legion hall, with a whist party on the last Friday.

Reading from left to right in the front row are A. G. K. Jakobsen, publicity chairman and past commander (1937); Arthur Quirmbach, first vice-commander and membership chairman; Adam Shinazy, commander; Emil Pohlka, second vice-commander, and Lesley Hill, adjutant and past commander (1934).

Second row, left to right: Felix Foreman, finance officer; Ruggero Domenichini, J. B. Hughes, Guiseppi Preto, John Derungs, and Henry King.

Third row, left to right: Arthur Crooker; R. L. Crane, judge advocate; Herbert Grieb, historian; Orville Tallmadge, chairman for Sons of the Legion and past commander (1933).

Fourth row, left to right: Anton Francesconi; Marall Smith, service officer; Peter Becker, twenty-sixth district radio chairman, and John Matzek, sergeant-at-arms.

Budgeting Budgeteers

Most cities use a budget system, according to the National Consumers Tax commission, but the problem in many cities is getting the city fathers to live within their budget. Most common error is the assumption that the full levy will be collectible when experience shows that from 10 to 50 per cent will be delinquent.

Matoaka Council To Greet Dist. Deputy

Matoaka Council No. 18, Degree of Pocahontas, will greet the newly-appointed district deputy, Katherine Keating tonight, at a meeting which all members are urged to attend. The degree team will practice on the same evening, while games will be enjoyed in the banquet hall.

Last Wednesday evening, the council held a "Surprise Nite" social. Guests of honor were Mrs. Helen Seith, Mrs. Olive Hoover, Wenonah, and Joseph Satariano, First Warrior.
